A COMPREHENSIVE SUPPORT SYSTEM FOR SCHOLARSHIP STUDENTS

Scholarships and support schemes for CROUS scholarship students • Start of the 2026 academic year

NEOMA is committed to equal opportunities. Students receiving a CROUS grant are eligible for a partial or full waiver of tuition fees, depending on their income bracket and year of study.

In addition to covering or reducing tuition fees, NEOMA Business School, through its Wellness service, offers a comprehensive support ecosystem designed to safeguard the academic journey of grant-funded students: mentoring with our partners such as Article 1, administrative support, and monitoring of student life.

Student loans: NEOMA Business School has established partnerships with several banks, enabling you to secure loans at preferential rates. Depending on your needs and circumstances, our partners will select the best options to help you realise your plans!

EXCELLENCE SCHOLARSHIP PREPARATORY CLASSES

Because excellence deserves to be rewarded, NEOMA awards an Excellence Scholarship to the top candidates from preparatory classes.

Who is eligible?

The top 30 students from economics and business preparatory classes (ECG and ECT) and the top 30 students from other preparatory classes.

How much is it?

A discount equivalent to 25% of the tuition fees for the first year of NEOMA's Grande École Programme.

How can I apply?

No action is required: eligible candidates are automatically identified and contacted by NEOMA's Admissions Office.

To remember: By combining your CROUS grant, the fee waiver provided by NEOMA and, where applicable, the Excellence Scholarship, your studies on the Grande Ecole Programme can become more affordable. This grant can be combined in full with other schemes: if you are a CROUS grant holder (bands 4 to 7), it can be added to our specific fee waivers, which can cover up to 100 per cent of the fees for this first year.
