

Teaching Faculty – Management Disciplines

POSITION DESCRIPTION

NEOMA Business School is recruiting Teaching Faculty (permanent teaching-focused position) in the following management disciplines:

- ✓ Strategy
- ✓ Marketing
- ✓ Luxury management and/or marketing
- ✓ Quantitative methods
- ✓ Artificial intelligence
- ✓ Accounting

Teaching Faculty will be mainly responsible for delivering high-quality teaching across NEOMA's programs (undergraduate and graduate programs), in French and/or English depending on the profile.

CANDIDATE PROFILE

We are seeking committed candidates with a strong interest in teaching and matching the following profile:

- ✓ Master's degree minimum (PhD preferred)
- ✓ Significant professional and/or academic experience
- ✓ High-quality teaching delivery, conveying knowledge with rigor and enthusiasm
- ✓ Interest in pedagogy and pedagogical innovation
- ✓ Collegial and proactive attitude
- ✓ Ability to interact and build projects with corporate partners
- ✓ Active contribution to the implementation of the school's academic strategy

ABOUT NEOMA BUSINESS SCHOOL

NEOMA Business School is a leading academic institution, triple accredited (AACSB, EQUIS, AMBA), and recognized for the quality of its teaching and the dynamism of its research. At the heart of economic, technological, and societal transformations, the School develops a rigorous and innovative approach to education, closely aligned with knowledge creation. It educates students and professionals who are expected to evolve in complex international environments, relying on academically rigorous content that is closely connected to contemporary challenges. Supported by a largely international faculty, NEOMA offers a

stimulating and collaborative academic environment, conducive to the development of teaching practices and intellectual contributions. With campuses in Reims, Rouen, and Paris, the School benefits from a strong presence within dynamic economic ecosystems.

APPLICATION PACKAGE

Applications should be submitted via: <https://apply.interfolio.com/185351>

Applicants are invited to provide:

- ✓ A cover letter
- ✓ A CV
- ✓ The contact details of three referees
- ✓ Recent teaching evaluations

Additional materials, such as a teaching statement and any evidence of service to the academic community and/or the professional community, may also be included in the application package.

Starting date: January 2027
